

## SUBJECT: Monthly Rates for Summer 2021

The seasonal rate is \$1,000.00 for a standard seasonal site and \$1,200 for a premium seasonal site per month for two (2) adults and two (2) pets, which includes all utilities and a limited, free access WiFi. If you have additional people in your immediate family and/or more than (2) pets, there will be an additional charge of \$100 per month, per person (13 years or older) and/or \$50 per month per each additional pet.

If you have additional guests (adults or children 13 and older) which stay with you for a temporary amount of time, there is an additional \$5 charge per person, per night of stay. There is a maximum of 3 guests allowed to visit and stay at one time, and they may not stay for more than 5 consecutive nights. All day or nightly guests must check in at the office before entering the campground.

The seasonal rate of \$1000/\$1200 will apply to formal months only, starting on the first of the month and ending on the first of the next month. Additional nights outside of the monthly time frame will be charged at our regular nightly rate. We do not provide additional discounts for multiple months of stay.

To secure your site, please complete and sign the attached registration form and return it to us via mail or email. A deposit of \$250 will be due when you book your reservation and will be taken using a card number. Your first month's rent will be due upon check-in, and if you choose to use a credit card, the payment will include an additional 3% transaction fee. Should you reserve your site for an extended period and then depart early or decide not to come, you will be charged an early departure/cancellation fee of \$250.00.

Rent payments will be due on the 1<sup>st</sup> of each month. Should you choose to use a bankcard or credit card for payment, you will be charged a credit card fee of 3% of the charge in addition to the monthly rent.

We will try to honor your first campsite selection, provided you return the Registration Form in a timely manner. However, due to unforeseen circumstances, we do reserve the right to change your site assignment.

Full Season camping is defined by April 1 through November 1. (7 months). Full season camping will get the first pick of sites. We realize that some of you have been coming to Woody Mountain for many years, and that the change in taking reservations based on length of stay may result in you trying out a new site for the season. We apologize for this inconvenience, but we hope that you will enjoy whatever site you book!
